SIR,

I have the honour to state that 70 properties have been acquired by this Municipality in Doddabylakhana village for the formation of the Kalasipalyam layout, and as possession of these has now been taken by the Municipality, it is found very necessary to post watchmen to look after the same, as otherwise building materials may be pilfered from these structures On a report received from the Municipal Engineer to the effect that it is not possible to spare any of the gangmen of his section to attend to this work and that eight watchmen on a pay of Rs 12/- + 10 D A each per month may be entertained for 2 months, the matter was placed before the Municipal Council, and the latter have, at their meeting held on 1-11-1945 approved the said proposal of the Municipal Engineer As these watchmen had to be urgently appointed with a view to prevent the loss of materials etc , on the said lands, the Municipal Engineer has been permitted to entertain these watchmen in anticipation of sanction of Government

2 A copy of the resolution of the Council is herein enclosed for favour of obtaining the sanction of Government thereto and to approve the action taken by the undersigned in the circumstances stated above

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
